From the North

Leave the A1M at junction 61 and take the 3rd exit on the roundabout along the A688. After a couple of miles you will come to another roundabout, take the first exit on to the A177. Take the first right (after a couple of hundred metres) and after you drop down a slight hill take your first left. Take the first exit at the next roundabout and as you come into West Cornforth you will see the Village Hall on the right hand side. The football pitch (with car parking) is behind this building.

From the South

Heading north along the A177 take a left turn at *The Hare & Hounds* pub and head into West Cornforth along Stobbs Cross Lane. Go down Station Road bank and look for the Village Hall on your left hand side (just after the high street turnoff). The football pitch is behind the village hall and has it's own car park.
