Club Constitution dated 18/7/10 **as agreed at the AGM on 25/7/10.**

Club Officials

The business and affairs of the club are managed and conducted by a committee consisting of the officers of the club.

The officer's of the club are a Chairperson, Vice Chairperson, Secretary, Treasurer, Fundraising Chairman, Chair of the Coaches, Club Welfare Officer, School Liaison Officer and the Minutes Secretary. In addition to these positions, the club may also have additional members of the committee (e.g. Child Protection Officers and Team Representatives). Officers are elected at the annual general meeting and hold office until the next AGM.

Committee meetings are held on a monthly basis to deal with club business. The committee is responsible for the control of the club and the pursuance of its objectives as stated within the rules of the club. Club officers are also responsible for the day-to-day operation of the club within their specific areas of responsibility. All officers should be required to make a report at each committee meeting. In this way the committee can keep proper control of the club's activities. All meetings will be minuted and kept for a minimum of 6 years.

One person can not fill more than one of these functions, as teamwork in the organisation of the club is as essential as teamwork on the field of play. As the club progress up the leagues, a greater number of duties/responsibilities may have to be undertaken by the club and additional officers may be required (e.g. someone to produce a match day programme or a specialist Fixtures Secretary).

Chairperson

The Chairperson does not have specific duties, he or she will oversee the work carried out by the other officers and preside over committee meetings. The Chairperson should be the driving force behind the Clubs 5 year Development Plan.

Secretary

General

The Secretary is the official contact between the club and any competition/County Football Association and therefore The Football Association. The County Football Association will correspond with the Secretary rather than other club officials. The Secretary's duties will also include:

- **Affiliation.** Each established club is required to renew its affiliation to its County Football Association each year. A form for this purpose is dispatched to each club and it is advisable to complete the form and return it with the appropriate fees to the County Football Association office as soon as possible.
- **League membership.** In most cases established clubs will be sent membership renewal forms by each league or other competition in which it competes.
- **Correspondence.** All correspondence must be dealt with without delay. This is most important for any disciplinary matters.
- **Insurance.** The club will have insurance cover for their officials and players in case of injury or accident while travelling to matches or playing football.
The Club will ensure that there is suitable public liability insurance in place, either by the pitch hirer or by the club or County Football Association.
- **Club records.** The maintenance of comprehensive club records is essential. The following information needs to be accurately maintained:
 - **Financial records.** Financial records must be kept to record income and expenditure, and any assets (e.g. vehicles) or liabilities (e.g. any loans). This information shall be provided by the Treasurer. All normal Inland Revenue and Customs and Excise requirements will need to be met, on so much as they apply.
 - **Players' register.** An up-to-date record of the names, addresses and dates of birth of all past and current club players and officials must be maintained. Registration forms must be obtained, correctly completed and forwarded to the appropriate competition officer, within the prescribed time, as set out in the competition rules.
 - **Transfers.** Clubs wishing to sign a player registered with a club playing in the same league must refer to the rules of transfer as determined by the league.
 - **Contract players.** A contract player is a player who has signed a standard FA contract which must be lodged with the Football Association to make it valid. Players who have signed for clubs as players under written contract are not permitted to play for any other club while the contract remains in force. If a club is to claim compensation for the transfer of any player, that player must be under written contract or have been offered re-engagement in accordance with FA Rules.

- **Notification.** Notify all leagues and competitions in which your club competes of any change of any officers.
- The County Football Association must also be informed in writing of a change in Secretary or Chairperson.

Secretary (or Team Manager) match duties

In respect of match duties the Secretary must ensure that:

- **Date, venue, colours and timings.** Opponents and match officials are notified of the exact location, time of kick-off and colours (shirts, shorts and socks). Maximum notice should be given (competition rules generally give details of minimum notice required). If there is a clash of colours, arrange for the away team to change (N.B. some competitions may require home team to change colours). Make certain that the goalkeepers' jerseys are a different colour from those to be used by both teams. Some competitions permit notification to be made by telephone. Others require notification in writing. Check the rules to avoid problems, which may lead to fines. Telephone contact has its advantages as a rapport can be established with other clubs, but can lead to confusion and/or disputes at a later date. It is better to confirm any telephone arrangements in writing immediately whenever possible.
- **Knock-out competitions.** If involved in a knock-out competition, check the rules relating to qualification of players, number of substitutes allowed and method of obtaining a result if the match is drawn (i.e. extra time, replay or kicks from the penalty mark).
- **Travelling time.** When travelling to away matches, sufficient time must be allowed to arrive without causing a late kick off. The home team should arrange for the dressing rooms to be opened at least one hour before the game.
- **Match balls.** Match balls which meet the requirements of Law 2 of the Laws of Association Football have to be provided. The competition rules may state how many match balls need to be provided, but at least two should be available.
- **Match Officials**
 - Confirm appointment of Referee. If a Referee has not been appointed, arrange for a club member (preferably a qualified Referee) to be available to take charge.
 - Arrange for someone to greet the Referee and make him/her feel welcome.
 - Submit team sheet to match officials and opposition when required by rules of competition.
 - Ensure that the Referee is paid promptly after the match (always obtain a receipt) according to competition rules.
 - If possible appoint competent Club Assistant Referees. Some competitions permit substitutes to act as Club Assistant Referees, but it is neither advisable nor desirable.

- **Results.** Ensure that the result is telephoned to the league or the competition secretary as soon as possible after the match. The rules of the competition will state the time by which a result must be notified. If the club competes in more than one league/competition, make sure that a match return card is completed and submitted to the competition within two days after the match. Insert the details required and ensure the Referee is marked accurately on his performance.
- **Disciplinary procedures.** Responding to disciplinary matters issued by the County Association is strictly the responsibility of the club. It shall be the duty of the club Secretary and the player or official involved, within 14 days of the date stated on the notification, to ensure that the Association Secretary receives such information as may be demanded necessary. Failure to do so may lead to further action being taken against the club and/or the player or official. Club secretaries are advised to refer to the full disciplinary procedures in their County FA Handbook.
- **Hospitality.** Provide appropriate hospitality for opponents and match officials according to club custom or competition requirements.

Treasurer

The Club Treasurer must manage and administer finances for the club. The additional issues that require the Treasurer's attention are as follows:

- The income and expenditure record and balance sheet must be presented to the club's annual general meeting and considered there by the members.
- A cash book and all vouchers must be retained by the club for at least two seasons proceeding the current season to be available for production to the County Football Association whenever required. The Inland Revenue or other bodies may require more.
- A financial statement must be prepared which must be verified each year by an appropriately qualified person. A copy of any financial statement shall, on demand, be forwarded to the Football Association.
- When a club official with the authority to sign cheques is appointed, the bank must be notified without delay and a new bank mandate must be completed.
- Establish the dates by which All County Football Association, league or other competition fees are due, as fines may be imposed for late payment.
- All clubs should operate a separate bank or building society account for the transaction of club business.

Fund-raising Chairperson

The Fundraising Chairperson should organise the fundraising meetings of the club, these should be minuted to ensure key points can be relayed back to the main committee for approval, if required and ensure the fundraising duties are split between the relevant age groups. They should be the clubs contact with their County Football Association for details of any FA grants and loans and other funding opportunities available from the Football Association or other sources.

Code of Conduct for Managers /Coaches

Managers / Coaches are key to the establishment of ethics in football. Their concept of ethics and their attitude directly affect the behaviour of players under their supervision. Coaches are, therefore, expected to pay particular care to the moral aspect of their conduct.

Managers / Coaches have to be aware that almost all of their everyday decisions and choices of actions, as well as strategic targets, have ethical implications.

It is natural that winning constitutes a basic concern for managers / coaches. This code is not intended to conflict with that. However, the code calls for coaches to disassociate from a win-at-all-costs attitude.

Increased responsibility is requested from managers / coaches involved in coaching young people. The health, safety, welfare and moral education of young people are a first priority, before the achievement or the reputation of the club, school, coach or parent.

The FA Coaches Association Code of Conduct (which reflects the standards expressed by sports coach UK) and forms the benchmark for all involved in coaching.

4. Managers / Coaches must develop an appropriate working relationship with each player based on mutual trust and respect.
5. Managers / Coaches must not exert undue influence to obtain personal benefit or reward.
6. Managers / Coaches must encourage and guide players to accept responsibility for their own behaviour and performance.
7. Managers / Coaches must ensure that the activities they direct or advocate are appropriate for the age, maturity, experience and ability of players.
8. Managers / Coaches should, at the outset, clarify with the players (and where appropriate, parent) exactly what is expected of them and also what they are entitled to expect from their coach.
9. Managers / Coaches must co-operate fully with other specialists (e.g. other coaches, officials, sports scientists, doctors, physiotherapists) in the best interests of the player.
